PITTSFORD YOUTH CHEER

Pittsford Jr. Panthers Cheer has a long history and continues to grow each year.

As we enter 2025, we are excited to embark on a new chapter, where we will manage our finances, operate our own volunteer board, and implement a strategic plan to further support the growth of our program.

Pittsford Jr. Panthers Cheer is a nonprofit organization, relying entirely on the dedication of our volunteers, parents, and generous corporate/community sponsors.

We invite local businesses, families, and friends to become sponsors of our organization. Your contributions will help us manage the rising costs of supporting over 110 athletes while ensuring we maintain affordable fees for our families. By sponsoring, you are not only supporting our organization but also making a positive impact on our entire community. Your support provides a safe after-school activity for our children, teaching them important values such as teamwork, leadership, perseverance, and communication skills.

Sponsorship will help fund:

- Additional tumble mats
- New training equipment for our clinics, camps, and practices
- New team uniforms
- Pom-poms for every athlete
- New banners to display at football games, cheer competitions and other events
- Coaches' safety education, cheer-skill workshops, and CPR/AED certification
- Rental space (if needed)
- A scholarship program for families in need

Pittsford Jr. Panthers Cheer is incredibly grateful for the coaches, volunteers, and families who contribute to the success of our program and, most importantly, to the development of our young athletes.

Thank you for your consideration and support!
